DOES YOUR CHURCH, LODGE, OR SCHOOL NEED MONEY?

If so, be the first in your community to put on the play "School Daze." We reserve the right to reject applications where "School Daze" is already scheduled or in territory where we have no dealers.

This is a short play written by Charles L. Archbold, writer of the epigrams that appear upon the Boy and Slate signs you see in front of White Rose Gasoline stations.

It is a play designed for grown-ups to take the part of children—it is **not a play for children to take parts**, although children will enjoy seeing and hearing the older folks imitate them.

"School Daze" has been put on over 600 times successfully.

Here are Just A Few—

"School Daze" was put on by the P. T. A., Princeville, Illinois. They took in \$45.00.

The M. E. Church, Comstock, Michigan, took in \$31.50.

P. T. A., Jones Junior High School, Toledo, Ohio, took in \$90.50.

Pardeeville (Wis.) Community Club took in \$39.75.

"School Daze" put on at South High School, Akron, Ohio, cleared \$70.20.

Booster Bible Class, Christian Church, Paden City, W. Va., cleared \$83.65.

South Methodist Church, Rector, Arkansas, took in \$35.00.

Everything Furnished Free

We supply the play—Posters to put in windows advertising it—also, handbills and tickets printed with date, price of admission, etc. All the money you take in is yours.

Have one of the officers of your organization write for particulars—sent only to officials of organizations. Where it is possible to do so, write us on your church, lodge, school, or club stationery.

We positively will not send this material to children. Address—"School Daze" Department, The National Refining Company, 809 National Bldg., Cleveland, Ohio.

Meeting 1932 Conditions with 1932 Motor Oil

The car of today with its—

Higher Speeds!

Higher Temperatures!

Higher Compressions!

—places more exacting demands on 1932 motor oil to lubricate 1932 motor cars. NEW EN-AR-CO MOTOR OIL, our outstanding achievement for 1932, has been improved to meet these demands, and is likewise better for cars of all models, as well as Airplanes, Trucks, Tractors, and Buses.

NEW EN-AR-CO MOTOR OIL resists heat, without breaking down, is wear proof, insures efficiency at low cost, under all conditions, is de-waxed and flows freely at all temperatures.

Half A Century of Refining Experience

—is our guarantee that NEW EN-AR-CO MOTOR OIL will deliver the most lubrication per dollar. During this half century the public has recognized that we were the leaders in quality.

All Ears and Shocked

—WHITE ROSE GASOLINE—

Market Note

Radio singers have cut down so many of the old Pine trees that there may be a shortage of Pine-apples.

—WHITE ROSE ETHYL—

He—"Do you like tangerines?"

She—"I never did care for these new dances."

—EN-AR-CO MOTOR OIL—

Potato—"The eyes have it."

Onion—"Yeah, but the nose knows."

—NATIONAL LIGHT KEROSENE—

Hubby—"Why, my dear, you're the apple of my eye."

Wife—"Oh, so that's why you're paring down my allowance."

—WHITE ROSE GASOLINE—

If the corn stalks through your garden tie it with the strings from your beans.

—WHITE ROSE ETHYL—

"My limbs are bare, my foot is cold,"

The weeping willow cried;

But lady slippers and garden hose

The gardener soon supplied.

—EN-AR-CO MOTOR OIL—

If grit counts—then eat spinach.

—NATIONAL LIGHT KEROSENE—

A cow-slip is a flower, not a cow skidding.

—WHITE ROSE GASOLINE—

Even when the wind is not blowing one can see yellow bloomers in most every yard—Dandelions.

—WHITE ROSE ETHYL—

The flower we all like best—Tulips.

Mr. Pepper—"Don't let this 'leek' out but I'm hot for you."

KO-REK-TIV WHITE OIL

A Pure White Mineral Oil—Odorless—Tasteless
For Constipation and Hemorrhoids

Ko-Rek-Tiv White Oil promotes healthy, normal action of the bowels by lubricating thoroughly, a defective drainage system, preventing the contents of the intestines from becoming hard.

Full quart bottle sent express prepaid (we cannot ship parcel post) upon receipt of \$1.50.

BLACK BEAUTY AXLE GREASE

Insures a friction-free, wear resisting axle, giving new life to the old wagon, and longer life to the new wagon. Destroys lice and vermin when applied to hogs. Thinned with kerosene and applied to seams and joints in chicken houses destroys lice.

EN-AR-CO MARINE OILS

Some of the largest fleets of boats on the Great Lakes are lubricated with En-ar-co Lubricating Oils and Greases.

National Light Kerosene

Light—Heat—Power

For Stoves—does not smoke. Contains no impurities to clog and gum. Every drop burns, insuring steady heat.

For Incubators and Brooders—contains no poisonous fumes to clog egg-shell pores. Uniform heat insures a chick from every fertile egg. No fumes to kill little chicks in the brooder.

For Lamps—gives a steady White light that leaves a clean wick and clear chimney, no smoke or odor.

For Tractors and Lighting Plants—develops more power.

1st Bug—"Do you like Miss Potato?"

2nd Bug—"I'm bugs about her."

—WHITE ROSE GASOLINE—

"This makes me boil," said the cabbage as he was put in the pot.

—WHITE ROSE ETHYL—

Why was a Cactus ever invented—that's a sticker!

—EN-AR-CO MOTOR OIL—

Teacher—"What vegetable begins with 'Z'?"

Pupil—"Zelery."

—NATIONAL LIGHT KEROSENE—

Does Mis L Toe put on Ladies' slippers?

—WHITE ROSE GASOLINE—

*Peter, Peter, Pumpkin Eater,
Had a wife and couldn't keep her;
Put her in a pumpkin shell—
And the rest's not fit to tell.*

—WHITE ROSE ETHYL—

Snap-dragon—"What bit you?"

Bleeding Heart—"It's just a little Catnip."

—EN-AR-CO MOTOR OIL—

Snowballs should be planted next to the Ice-plant.

—NATIONAL LIGHT KEROSENE—

Mr. Corn has made no proposals but is liable to pop.

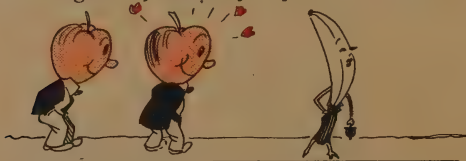

—WHITE ROSE GASOLINE—

Beet—"What happened to Cabbage—his head is busted?"

Horse-radish (In low voice)—"He tried to make an Endive."

—EN-AR-CO MOTOR OIL—

A Morning Glory is always up before Four-O'Clock.

1st Man—"I'm wild about Miss Banana."

2nd Man—"Oh Yeah! Well, she's got 'It'—plenty appeal."

"What's wrong, you look sick?"

"I am, my stomach's a little sour."

—WHITE ROSE GASOLINE—

The Potato is sad because he got Onion in his eyes and it made him Balsam.

—WHITE ROSE ETHYL—

Poppy—"Why don't you Marigold?"

Dandelion—"I'm afraid to Aster."

—EN-AR-CO MOTOR OIL—

Parsley—"Perhaps we'll all end up in the soup."

Sage—"Thyme alone will tell."

—NATIONAL LIGHT KEROSENE—

The Corn may be tall and slim but you'll have to admit that it's pretty husky.

—WHITE ROSE GASOLINE—

Pea—"Surely you're not holding me up?"

Golden Rod—"Sure am, SHELL out or I'll shoot."

—WHITE ROSE ETHYL—

Green Pepper—"Gee, I'm hungry."

Radish—"Don't worry. You'll soon be stuffed."

—EN-AR-CO MOTOR OIL—

Marigold—"A rich garden, isn't it?"

Golden Rod—"Yes, plenty of Kale."

—NATIONAL LIGHT KEROSENE—

"Really," said Mrs. Newbride, "The grocer sold me wax beans and they're just as good as real ones."

—WHITE ROSE GASOLINE—

Cockscomb and Ivy

Said he, "Come be my clinging vine,"

His face was red as blood,

But though he slung a flowery line,

She nipped him in the bud.

"Oh! Sweet William! What happened?"

"I've just been over to see Pansy's Poppy."

Blue Bells

—WHITE ROSE GASOLINE—

No Patients

*Poor little Pippin's flustered,
 Her face is very red,
 And all because of certain things
 The horrid doctor said.*

—WHITE ROSE ETHYL—

Potato—"I'll soon be getting the sack."

Corn—"I'm expecting to be canned most any time."

Lettuce—"I'll wilt if they fire me."

—EN-AR-CO MOTOR OIL—

"Lo-Belia," said the Coxcomb, as he gave a careless nod to the Cardinal Flower.

—NATIONAL LIGHT KEROSENE—

Dollars don't grow on bushes, but there are some "scents" in a flower garden.

—WHITE ROSE GASOLINE—

Add Similes—

As full of grit as a dish of spinach.

As watchful as an amateur gardener.

As wrinkled as dried corn.

—WHITE ROSE ETHYL—

The big difficulty is not getting the spinach out of the garden—it's getting the garden out of the spinach.

—EN-AR-CO MOTOR OIL—

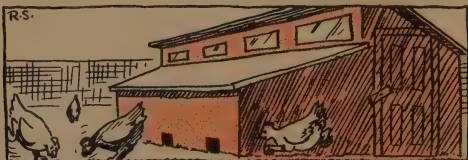

Plenty of Cauliflower ears are raised in Madison Square Garden.

—NATIONAL LIGHT KEROSENE—

As soon as the gardener plants the Eggplant all the chickens come up.

—WHITE ROSE GASOLINE—

Mother raises flowers, father raises vegetables, and baby raises cain.

An Egg Plant

NEW EN-AR-CO GEAR LUBRICANT
SILENT-POSITIVE LUBRICATION

—For New Hypoid Gears. Also it will better lubricate present type transmission and differential.

En-ar-co Free Wheeling Lubricant

Permits the positive, easy action of the free-wheeling mechanism on the coldest days. En-ar-co Free Wheeling Lubricant assures perfect lubrication to the free wheeling transmission. Its fluidity permits easy shifting of gears—smoothly and quietly.

En-ar-co Universal Grease

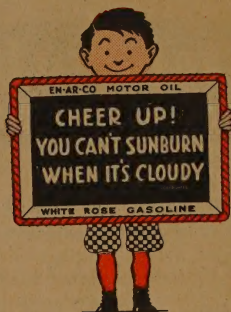

The universal joints, for which En-ar-co Universal Grease is recommended, are not oil tight. Such universals demand a grease with special adhesive qualities, a grease which will not be thrown out by centrifugal force. En-ar-co Universal Grease is designed to meet those requirements and, at the same time, provide perfect lubrication, resisting the stress and strain to which the universals are subjected.

En-ar-co Water Pump Grease

A Lubricant possessing special qualities which enable it to protect the bearings of the water pump at all times. Heat and water do not affect it. En-ar-co Water Pump Grease resists the washing action of hot water and does not work loose and clog the cooling system.

En-ar-co Pressure Gun Grease

Is the best lubricant for all chassis lubrication. It is of proper body to get to the points where lubrication is needed. Prevents rattles—prevents squeaks—prevents trouble!

Look For This Sign

There are all kinds of signs besides those of the Zodiac. The sign of the Boy and Slate identifies Service Stations and Dealers who not only sell En-ar-co brands, but will give you En-ar-co service.
